This three-day intensive with the Goddess Mystery School™ Teachings of Mary Magdalene is a devotional immersion into the sacred principles of spiritual alchemy — through the seven spiritual virtues of love's consciousness that Mary Magdalene taught her disciples.

Together we will explore and immerse ourselves in the Goddess Mystery School™ Teachings. We will work with the power of fragrance to help draw out the deeper alchemical meanings of the seven spiritual teachings. In addition, the workshop will include:

- Hands-on blending with a palette of 22 natural aromatics
- Kundalini Yoga and Breath-work
- Intuitive Oracle Sessions
- Temple Dancing
- Creation of a private journal for the Teachings
- Circle work — creating altars for each Goddess Mystery School™ Teaching
- Group discussion and sharing of each other's blends
- Slide show of France and the Path of the Magdalene
