

*"Perfumes are messengers of love that can open the heart,
heal the spirit and transform consciousness." — Mary Magdalene*

JOAN CLARK'S PALAIS AROMAETICA MAGDALENE collection

Inspired by the Seven Goddess Mystery School
(GMS)[™] Teachings of Mary Magdalene

The Mary Magdalene Perfume Essences are a private collection of signature fragrances designed specifically to align with the Goddess Mystery School Teachings of Mary Magdalene, as received by Joan Clark.

Each signature fragrance may be adorned as an individual perfume or layered one atop another for a powerful aromatic experience. Available as an anointing oil in a jojoba base or as a botanical perfume mist.

* 7 Powerful Fragrances aligning to the Goddess Mystery School Teachings that inspired them,
* plus, the unifying Yeshua blend which ties the collection together.

Gift yourself a personal experience with Mary Magdalene through these scents. May your journey be magical, mystical and sacred.
