

JOAN CLARK'S SACRED PILGRIMAGE

The Path of Mary Magdalene and the
Goddess Mystery School™ Teachings

FRANCE · MAY 14–28, 2014

“I am awaiting your return.”
MARY MAGDALENE

Several years ago, during a pilgrimage to France, Joan Clark received seven sacred teachings from Mary Magdalene. With those teachings, Joan was inspired to create the curriculum for her Goddess Mystery School.

Mary Magdalene's seven sacred Goddess Mystery School™ teachings of: ***Humility, *Forgiveness, *Compassion, *Trust, *Love, *Ecstatic Joy** and ***Oneness** will be the cornerstones of our May 2014 Sacred Pilgrimage to France.

We will work with one specific teaching at each of the primary sites to be visited, to gain a more intimate, heart-felt understanding of what they mean – individually and collectively – at this very moment in our lives.

We will support the Goddess Mystery School (GMS) curriculum with seven different anointing oils and aromatic tinctures that align with the teachings to help open, integrate and align with the inner alchemy of each.

This trip is framed as a spiritual pilgrimage – a soul-calling to increase intention and devotion, in the name of healing and service, by way of deep, sometimes intense, spiritual work. Those looking for a recreational tour are encouraged to enjoy France by other means.

At each site there is something awaiting you. If you feel the call, please come. Reserve your place in this powerful circle. I can personally attest that it will be a transformative experience.

ITINERARY

FRANCE · MAY 14–28, 2014

DAY ONE - TWO (WEDNESDAY, MAY 14 - THURSDAY, MAY 15): PARIS

Paris (Par-Isis), the City of Lights, is where we will open our ceremony and review the seven Goddess Mystery School Teachings of Mary Magdalene. At the highest point overlooking Paris – the Cathedral Sacred Coeur – we begin the surrender to the calling. This spot was once a sacred portal for the Mystery School energies of Isis. While in Paris we will visit several different sites devoted to the Divine Feminine as well as the church dedicated to Mary Magdalene.

DAY THREE (FRIDAY, MAY 16): CHARTRES

We travel on the TGV to Chartres which is situated outside of Paris and is about one-and-a-half hours by train. Chartres is the home of the world famous Notre' Dame Cathedral and Chartres Labyrinth that was once an ancient Druid Mystery School dedicated to the Goddess. Here, the presence of Isis, Mother Mary and Mary Magdalene are felt very strongly. This, to me, is one of the most wonderful energy portals in the world. The Veil of Mother Mary is housed in this cathedral and the presence of the Divine Feminine is felt strongly in this temple. We begin our work with the first GMS Teaching – Humility.

DAY FOUR (SATURDAY, MAY 17): ROCAMADOUR

We will explore this amazing little village which clings to limestone cliffs overlooking the valley of the Alzou River. During the middle ages it was a pilgrimage destination dedicated to the Virgin Mother. There is a complex of seven small sanctuaries that make up the spiritual heart of this village which is also known as the "Holy City." The sanctuaries encircle a church square that is 216 steps above the village street level atop the great stairway. A statue of the Black Virgin is enshrined in the Chapel of Notre Dame, which is said to be built over a Druid Stone. In 1172 a monk from the village published the Book of Miracles where he details 126 miracles that occurred after pilgrims prayed for intercession to the Black Virgin. We will work with the second GMS Teaching – Forgiveness.

DAY FIVE - SIX (SUNDAY, MAY 18 - MONDAY, MAY 19): LOURDES

We travel to Lourdes by bus to visit the Sanctuary of Our Lady Lourdes where we will work with the third GMS Teaching – Compassion. Lourdes is a place where thousands of people visit each year to bathe in the sacred baths to receive a healing from the Divine Mother and to light a candle at the Grotto where she is said to have appeared to Saint Bernadette. There will be time to explore the different Sanctuaries at Lourdes, visit the grotto and partake in the healing bath ritual, as well as stroll around the magical streets of this special village. Lourdes is one of the most famous pilgrimage sites in the world where the Divine Feminine powers of love, healing, compassion and faith are revered.

DAY SEVEN - EIGHT (TUESDAY, MAY 20 - WEDNESDAY, MAY 21): CARCASSONNE

We travel to Carcassonne, the capitol city of the area and the home country of the Cathars. The church in this city is one at which many of you will deepen your connection to Spirit. Our day will be spent exploring this magnificent walled city and working with the fourth GMS Teaching – Trust.

DAY NINE (THURSDAY, MAY 22): RENNES LES CHATEAU

We visit the mysterious and highly acclaimed village of Rennes Les Chateau where a church dedicated to Mary Magdalene was built in the 1800s. This is a town full of secrets and history galore. We will also take a 45-minute walk to visit a cave dedicated to Mary Magdalene in the surrounding area. Here, we will study the fifth GMS Teaching – Love.

DAY TEN - ELEVEN (FRIDAY, MAY 23 - SATURDAY, MAY 24): ST. MARIES-DE-LA-MER

We visit the magical village of St. Maries-del-a-Mer in the heart of the Camargue, which is abundant with wildlife and the famous white horses in that region. It is said that Mary Magdalene landed here after being set adrift from Palestine. It is here where the famous annual pilgrimage of the gypsies is held to pay homage to Sara their patron saint. The village church is said to be associated with receiving the arrival of the Holy Grail Family, and it houses a beautiful painting of Mary Magdalene, a Statue of St. Sara and a sacred well. We will spend time on the beach working with the sixth GMS Teaching – Ecstatic Joy.

DAY TWELVE (SUNDAY, MAY 25): AVIGNON

We will take time to experience Avignon, a beautiful city said to be watched over by the Black Virgin. The 12th Century Cathedral of Notre Dame and the 14th Century Papal Palace is part of the grandeur of Avignon. It is said to be a sacred ceremonial site because of Rhone and Durance rivers merge, representing the Divine Feminine and the Divine Masculine. Here we will work with the GMS Teaching – Oneness.

DAY THIRTEEN (MONDAY, MAY 26): ST. BAUME, VISIT THE GROTTA OF MARY MAGDALENE

We will visit the Church of Mary Magdalene and the grotto where she is said to have lived the last 33 years of her life. The grotto is a 45-minute climb and together we will create a prayer-walk of gratitude to honor the life, path and teachings of Mary Magdalene and all the Goddesses that hold the essence of the Divine Feminine presence. This is where we end our journey and unite all GMS Teachings in our heart. It is here where we honor our guide and teacher – Mary Magdalene – in the grotto where she lived until her spirit was resurrected to the next plane.

DAY FOURTEEN (TUESDAY, MAY 27): NICE

Breakfast at Hotel. Drive to Nice.

DEPARTURE (WEDNESDAY, MAY 28): NICE

GODDESS MYSTERY SCHOOL

The Goddess Mystery School of Mary Magdalene is an in-depth study of the seven spiritual virtues to the path of Love. The mystical and personal realization of the alchemy of each of the teachings is the goal of Mary Magdalene's Goddess Mystery School as received by Joan Clark.

The alchemical transformation of each person is revealed through the Magdalene herself as the teachings are incorporated into a daily spiritual practice. The truth contained in each of the teachings begins to awaken the heart, soul and spirit of the those who desire to walk the path of Love with her.

The Mystery School Teachings are supported by sacred scents and aromatic elixirs created for each teaching by Joan Clark.
