

*"Perfumes are messengers of love that can open the heart,  
heal the spirit and transform consciousness." — Mary Magdalene*

# JOAN CLARK'S PALAIS AROMAETICA MAGDALENE COLLECTION

Inspired by the Seven Goddess Mystery  
School™ Teachings of Mary Magdalene

The Mary Magdalene Perfume Essences are a private collection of signature fragrances designed specifically to align with the Goddess Mystery School Teachings of Mary Magdalene, as received by Joan Clark.

Each signature fragrance may be adorned as an individual perfume, or layered one on top of another for a powerful aromatic experience.

The Magdalene Collection of intentional fragrances can be purchased as a natural anointing oil or botanical perfume mist.
