Joan Clark's **SACRED PILGRIMAGE** **SCOTLAND**

June 19-29, 2015

Scotland is a land full of ancient wisdom and magic. From Rosslyn Chapel to the elusive Isle of Skye and the Holy Island of Iona we will immerse ourselves in the alchemy of this sacred earth and breathe in all that it has to offer us on our own individual and collective pilgrimage. Here we take a deeper look at honoring the path of the Goddess with Mary Magdalene as our inner guide and teacher.

This is a pilgrimage, not a tour. It is a spiritual journey for those who are being called to awaken, ascend or simply listen to the voice within. There will be individual, as well as group rituals, gatherings and ceremonies, in which it will be important for everyone to participate.

We will work with the Goddess Mystery School Teachings™ of Mary Magdalene and the sacred alchemy of scent and fragrance that has been used in temples and holy gatherings for centuries.

STANDING STONES,
ISLE OF LEWIS

DAY ONE - FRIDAY, JUNE 19 - GLASGOW

Our pilgrimage begins in **Glasgow**, coined "The European City of Culture." Here the gritty atmosphere of Scotland's largest city and bustling seaport, are interspersed with art, good food and the easy laughter of friendly passing Glaswegians. We will gather for an early morning meet-and-greet, then begin our journey to our first destination - **Kilmartin Glen**. Known as the "Valley of Ghosts", a 3,000 year old ceremonial crowning and burial area which houses many Templar graves. This is where we will begin the first initiation on our pilgrimage. In our first ceremony we will open up to the power of the standing stones and the ancient burial cairns. We will take in the beauty of the ancient past that surrounds us but also lives within us. We will connect with our individual and collective intention for the pilgrimage. In late afternoon we will take a ferry to the **Isle of Mull** to spend the evening.

DAY TWO - SATURDAY, JUNE 20 - ISLE OF MULL

The **Isle of Mull** is often referred to as the "fairest of the isles." Here we will visit **Kilmore Church** - which houses the beautiful stained glass window depicting a pregnant **Mary Magdalene** with her beloved **Yeshua**. At this special site we will begin our work with Mary Magdalene - opening up to a deeper initiation with her **Goddess Mystery School Teachings** and the **ceremonial fragrances** that align with them. If time and tide permits, we will explore **McKinnon's Cave**, which was used by hermits and early Christians as a place of prayer, and is also believed to be a place of faeries in old Scottish lore. In late afternoon we will take a ferry to the **Isle of Iona**.

DAY THREE - SUNDAY, JUNE 21 - ISLE OF IONA - SUMMER SOLSTICE

Summer Solstice on the Isle of Iona is very important to this pilgrimage. It is believed that **Yeshua** and **Mary Magdalene** visited and stayed a while on this isle. There is a local oral tradition of that visit which states that at the Messiah's second coming he will be a woman and she will be known by the sign of the dove. We will explore **Iona Abbey**, **St. Martin's Cross**, **St. Oran's Chapel**, **the Royal Burial Grounds of Kings** and the ruins of the **Iona Nunnery**. On Iona we will encounter and create ceremonies to celebrate the Summer Solstice while working with the alchemy of the land, its sacred vortexes and the Magdalene teachings. The Isle of Iona has been known as a sacred Isle of the Druids, Culdees and Celtic Christians.

Celtic spirituality thrived here and it is most famously known for **St. Columba**. Iona is often referred to as "The Cradle of Celtic Christianity/Spirituality in Scotland." If time and tides permit, we will also see the **Isle of Staffa** and the magical **Fingal's Cave** - an entrance into the otherworld. Some say Staffa is a source of female energy and power lines, one which runs through Fortingall in Perthshire to Rosslyn Chapel.

DAY FOUR - MONDAY, JUNE 22 - ISLE OF SKYE

An early morning departure from the Isle of Iona will allow us to embark on an amazing journey of panoramic views, including: the picturesque **Highlander Castle**, **Eilean Donan** and over the **Skye Road Bridge**, where we will experience the remote and rugged **Isle of Skye**. Here, we will continue our inner pilgrimage with the GMS Teachings of Mary Magdalene as we connect with the unique beauty, peace and tranquility of the Isle of Skye. Should time permit, we will visit the amazing **Fairy Glen** outside of **Uig**.

DAY FIVE - TUESDAY, JUNE 23 - ISLE OF LEWIS

We will journey by ferry to **Tarbert** in the **Outer Hebrides** to the “Stonehenge of the North”, the **Callanish Standing Stones** which date back to 3000 BC. The stones are spectacular and unique, laid out in the form of a **Celtic Cross**. Known as a moon temple and a place of amazing vibrational energies, we will continue our work with the GMS Teachings as we align with this powerful structure. We will also visit the **two satellite stone circles** adjacent to the Callanish. We will then stay overnight in **Stornoway**.

DAY SIX - WEDNESDAY, JUNE 24 - STORNOWAY

We will explore **Stornoway** and its sights, experiencing the essence of the Scottish Isle. In the afternoon our ferry departs Stornoway to **Ullapool**. Upon arrival we will transfer to **Inverness** where we will stay overnight.

DAY SEVEN - THURSDAY, JUNE 25 - CLAVA CAIRNS - FINDHORN COMMUNITY

We will journey to the **Clava Cairns** ancient burial and **Initiation Temple**, then visit **Findhorn** for a guided tour of the community and the world famous vegetable gardens. Following that, we will journey through the scenic and dramatic **Grampian Mountains** and **Scone** to **Fortingall** where we will spend two nights, at **Pitlochry**.

DAY EIGHT & DAY NINE - THURSDAY, JUNE 26 & FRIDAY, JUNE 27 - FORTINGALL

Located in the very heart of Scotland, **Fortingall** is steeped in Celtic myth and legend. Central to the area is **Glen Lyon**, which is 32 miles long and one of the most beautiful and dramatic glens in Scotland. There are many sacred sites all within a 20 mile radius of Glen Lyon which we will visit and connect with spiritually, aligning them to the GMS Teachings. ***St. Andrew's Church**. ***The Croft Moraig** (Field of Mary), a megalithic stone circle believed to date back to 3000 B.C. *The “Praying Hands of Mary”, a megalithic standing stone in Glen Lyon, on an earth energy alignment, or **leyline**, with the Croft Moraig stone circle. *The holy mountain **Schiehallion**, which translates from Gaelic to the “Fairy Hill of the Caledonians”, is an awe-inspiring mountain of quartz crystal. Strange tales are told about this “Mt. Shasta of Scotland”. *The famous **Fortingall yew tree**, the oldest tree in Europe, believed to be about 5,000 years old. Generations have come and gone while this tree remains quietly standing in all of its majestic beauty. *And, **St. Mary's Grail Chapel** with its remarkable heraldic mural painted on its barrel roof ceiling, displaying amazing and unique hidden symbolism. In the late afternoon we will journey through a **scenic and dramatic landscape** on our way to **Edinburgh**, stopping at **Loch Tay**, one of Scotland's most enchanted lakes.

DAY TEN - SUNDAY, JUNE 28 - EDINBURGH

We will visit the enigmatic **Rosslyn Chapel** to explore and meditate on the mysteries of the Magdalene Teachings. This is where we will complete the spiritual part of our pilgrimage. Following this will be a free afternoon to explore **Edinburgh**, walk the **Golden Mile**, visit the Edinburgh Castle and more. In late afternoon we will transfer to a hotel near **Edinburgh Airport** where we will have our farewell dinner and spend the night.

DAY ELEVEN - MONDAY, JUNE 29 - FAREWELL

We bid farewell to Scotland and give thanks for this amazing experience.
