

# JOAN CLARK'S ANNUAL MOON GODDESS RETREAT 2017 -- MOON GODDESS MAGIC

September 22nd-25th, 2017  
Magician's Lake, Dowalgcic, Michigan

## **Awakening, Remembering, Becoming the Medicine Women of the 21st Century.**

It's time to get back to the garden! (literally and figuratively).

This year's retreat-- being hosted at the charming lake house of Goddess Nancy Kaminski, nestled on Magician's Lake in Dowalgcic, Michigan-- will have us working with the herbs, spices and aromatics of the garden, creating plant medicines for the coming year.

This shall include learning to craft natural and soothing remedies such as Fire Cider, Sage Honey, Aromatic Healing Teas, and/or others.

We will create a Medicine Woman Calendar where each Goddess in attendance will be photographed with the plant spirit medicines for that month. And we will sing, chant, dance and gather by the fire and lakeside to share our stories and our favorite healing medicines for body, mind, soul and spirit.

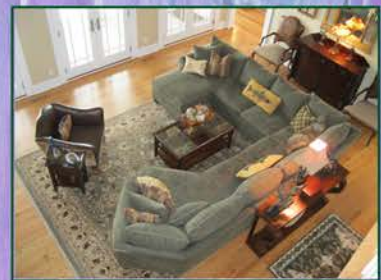

Get ready for some fun, laughter, and Goddess alchemy as we take time to enjoy the Sacred Path of the Medicine Woman and to honor her as Healer, Visionary, Teacher and and Warrior.

A day trip to the lovely town of Saugatauk Michigan for some Goddess shopping will also be included in our Goddess Adventure together!

**Price: \$950** (includes shared lodging, food, airport shuttle, and all materials.)

**Non-refundable deposit of \$300.00 is due by July 1st. Full Payment Due by September 1st.**

Those traveling to Michigan via air should fly into South Bend, Indiana (SBN).
